Valencia Jacob

Mandisa's husky puppy is adorable, but he wreaks havoc wherever he goes. He wanders in and out of the house, leaving things he finds outside all over the place. Mandisa and her mom love Koda very much, but Mom has had enough of the messy house. She insists that Koda goes to puppy school. But he hates it! The other dogs pick on him. During a storm, Koda gets a fright and runs away. Lost and alone, he meets Bella, the labrador. Will she be able to help Koda find his family?

BEST BOOKS VIR KLASLEES: SKITTERDINGE EN SKOELOELOE

Selwyn Milborrow

Zandi se familie verhuis vanaf Namibië na Suid-Afrika. Haar ergste nagmerrie word waar wanneer haar nuwe klasmaats haar spot oor haar Afrikaanse aksent en haar tradisionele haarstyl. As Herero-meisie voel sy al hoe meer uitgesluit, maar steeds skitter haar koperarmband asof dit haar wil herinner dat sy nie moet skaam wees oor wie sy is nie. Wanneer sy pouses teen die boelies opstaan deur vir hulle volksverhale te vertel en meer oor haar kultuur se tradisies te leer, besef sy haar ouma was reg: Stories het geheime kragte.

'n Lekkerleesstorie wat wys hoe die viering van kulturele verskille tot verryking en nuwe vriendskappe kan lei. Die verhaal ondersoek temas soos boeliegedrag, herkoms, identiteit en vriendskap.

**BEST BOOKS VIR KLASLEES: NUWE TRIEKS VIR OU HONDE**

Christien Nesor

Wanneer Daniel by die hondeskuijing opdaag om vir die honde te lees sodat hy sy leesvertroue kan opbou, kruis sy pad met Stoffel, 'n steekhaarfoksterriër. Stoffel ontsnap en Daniel sit hom agterna totdat hulle in 'n stormwaterpyp beland. Vasgekeer onder die grond lyk Stoffel se kanse skraal om vir oupa Solly, sy eienaar, op te spoor, selfs skraler as Daniel se droom om op te hou hakkel en Colette se hart te wen. Maar ou honde kan mos nuwe trieks leer, of hoe?

'n Spanningbelaaide storie vol humor wat temas soos selfvertroue, dapperheid, vriendskap en selfaanvaarding ondersoek.

**BEST BOOKS FOR CLASS READING: THINGS I LEARNT IN THE FOREST**

Jayne Bauling

When Thoko and her mom move from the city to a plantation in Mpumalanga she is totally out of her comfort zone. There is no mall in sight and she has to take a taxi with the other kids from the plantation to school every morning. She feels like such an outsider. At least Pabi seems to like her enough to invite her on a bike ride with Cal, the quiet boy. Thoko is mesmerized by the beauty of the forest, but someone is hurting the animals.
