Die man van elders

HELENE DE KOCK

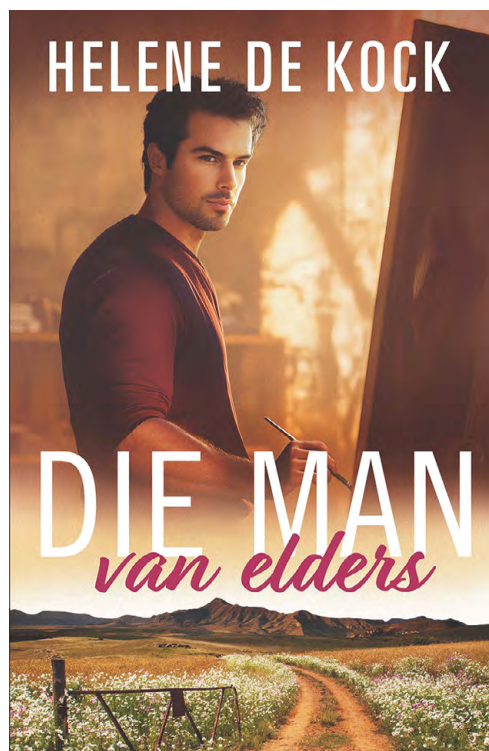

Moenie toelaat dat die wind jou omkrap nie. As die water rimpelings het, wag jy tot dit stiller is en vang dáárdie beeld vas.

Jean Botha verkeer tans elders: iewers en tegelykertyd nêrens. Ná drie jaar op 'n passasierskip smag hy na 'n plek wat syne is en waar hy gewoon net mens kan wees.

Die oomblik toe hy terug op eie bodem vir Renette Brink op Stellenbosch ontmoet, weet Jean een ding vir seker: Hy sal haar nooit weer kan vergeet nie. Maar Renette is verloof aan Martin Hoogendyk, 'n gesiene boer van die Oos-Vrystaat.

Toe Duncan Weston aanbied dat Jean op sy plaas naby Bethlehem gaan toesig hou, gryp hy die geleentheid aan. Daar slyp hy sy kunstalent en begin sy werk aan galerye verkoop.

Intussen broei onheil in die pasgetroude Hoogendyk se huis. Die sjarmante Martin, wat selfs Renette se predikantpa met sy fyn ingesteldheid en hoflikheid beïndruk het, verander oornag in 'n vreemdeling. 'n Meesleurende roman oor twee mense wat hulself vir die keuses van die verlede moet vergewe voor hulle 'n ware tuiskoms en liefde kan vind.

Jean Botha yearns for a place to call his own – a sanctuary where he can simply be himself. Right now, he feels caught inbetween: somewhere, yet nowhere.

The moment he meets Renette Brink in Stellenbosch, Jean knows one thing for sure: He will never be able to forget her. But Renette is engaged to Martin Hoogendyk, a prominent farmer from the Eastern Free State.

When his friend Duncan Weston offers him the chance to manage operations on his farm Heuningkrans near Bethlehem, Jean eagerly accepts. On the farm he is able to hone his newfound artistic talent and starts selling his own paintings. He rarely visits town, carefully avoiding any unexpected encounters with Renette.

Meanwhile, trouble is brewing in the newlywed Hoogendyk household. Will Renette have the courage to make the right decision in time?

A gripping novel about two people who must forgive themselves for the choices of the past before they can find true acceptance, love and a place to call home.

Why am I Like This?

QAANITAH HUNTER

Farah Nosipho Garda is a twenty-seven-year-old professional student: no job, no real plans, and with a talent for self-sabotage. When she's pulled from Cape Town's comfort to care for her ailing mother in a Joburg retirement village, Farah thinks this is just another way to buy time.

But when her mother begins to slip away and the man she thought could be her future partner starts raising red flags, Farah is forced to ask herself: What if the life she thought she wanted isn't the one she needs.

Amid the grief, Farah slowly begins to rewrite her story: showing up for herself, caring for her mind and body, trading shame for softness, and learning that self-love is a daily decision, and not a destination.

Why Am I Like This? is a witty, deeply modern love story about coming home to yourself.

Griessel moet die saak in Idasvallei vat. Die een van die private speurder, vergruis onder die BMW in die motorhuis. Want Cupido ken die slagoffer. Dit was sy boesemvriend. En hy sê dis g'n ongeluk nie. Dis moord, finish en klaar. Hy wil met alle mag deel wees van die ondersoek.

Bennie smag na sy kollega se hulp, want elke leidraad lei na nêrens. Probleem is, die kolonel het vir Vaughn op die brandstigting van 'n skaapwagtershut gesit. Hy, eindelijk weer 'n kaptein, net soos Bennie. Wat sy tyd nou só moet mors.

Tot die woonwa op die spogplaas daar naby ook in vlamme opgaan. En die identiteit van die verkoolde liggaam die media tot raserny dryf.

Dis wanneer die poppe begin dans.

Bennie Griessel and Vaughn Cupido hear the happy news that they have finally been repromoted to the rank of captain. However, their delight is short-lived. The crushed body of one of Cupido's closest friends has been found underneath the car he was working on in his garage . . . Death by accident, or by design?

And on an impressive farm outside Stellenbosch a caravan explodes. Impossible to explain. After the fire is extinguished, a body is found in the wreckage. Griessel and Cupido catch the case, and it's a messy one, because it happened on the property of a well-known 'power couple' . . . and the husband is apparently 'a vengeful, jealous egomaniac who has the perfect contacts to do this kind of thing'.

Just to make things even more interesting, a farm worker swears he saw a UFO in the sky just seconds before the explosion.

The most popular author in Afrikaans, at the height of his powers.

Ena Murray Speurverhale

ENA MURRAY

**Drie van Ena Murray se heel beste
speur- en spanningsverhale:**

In *Satan van Zimbabwe* begin die intrige met 'n koerantberig oor 'n bloedlose lyk met erg verswakte organe. In *Die man met die geel oë* kry geheime agent Brand Böhm 'n unieke opdrag: gedra jou so skandelik dat jy oneervol uit die weermag ontslaan sal word. En in *Onrus op Oshakati* hoop dr. Linda Maartens sy kan die donker wolk wat oor haar professionele naam hang, ontvlug. Maar kort voor lank word sy in 'n web van misdaad vasgespin.

Three of Ena's best detective and suspense stories: In *Satan van Zimbabwe* the intrigue begins with a newspaper report about a bloodless corpse with severely weakened organs. In *Die man met die geel oë* secret agent Brand Böhm receives a unique assignment: behave so disgracefully that he'll be dishonourably discharged from the army. And in *Onrus op Oshakati* Dr Linda Maartens hopes to escape the dark cloud hanging over her professional reputation. But before long, she's caught in a web of crime.

Eleksie op Erdvark

RUDIE VAN RENSBURG

Soois Swart bedryf sy sukkelende koerantjie op die dorpie Erdvark in die Knersvlakte waar die totale afwesigheid van moderne tegnologie groot uitdagings aan hom stel. Maar sy kopsorge vermenigvuldig met die naderende munisipale eleksie.

Vir die eerste keer in 'n dekade word die regerende BA Minus deur twee ander partye teengestaan. En burgemeester Duimpie du Plooy dreig om sy kompos-onderneming se advertensies uit die koerant te onttrek, en ander te oorreed om dit ook te doen, indien hy nie gelukkig is met Soois se beriggingewing nie.

Soois moet 'n koorddans uitvoer tussen goeie joernalistiek en beriggingewing wat nie aanstoot gee nie. Geensins 'n maklike taak nie, gegewe die talle strydpunte – die brandenste een die afwesigheid van spoeltoilette op die dorp. Die BA Minus is vurige kampvegters vir die behoud van kleinhuisies en die opposisie driftige voorstanders vir vernuwing.

Wanneer 'n horingadder in 'n kleinhuisie sy tande in 'n kwesbare deel van 'n inwoner slaan, klap die eerste eleksieskoot amptelik. En van daar af gaan dit doller as kopaf.

Soois Swart operates his struggling little newspaper in the village of Erdvark in the Knersvlakte where the total absence of modern technology presents significant challenges. His worries multiply with the approaching municipal election.

For the first time in a decade, the ruling BA Minus is being opposed by other parties. And Mayor Duimpie du Plooy threatens to withdraw his fertiliser business's advertisements from the newspaper, and to persuade others to do the same, if he isn't happy with Soois's reporting.

Soois has to walk a tightrope between good journalism and reporting that doesn't cause offense. No easy task, given the numerous opposing positions – the most pertinent being the absence of flush toilets in the town. The BA Minus are passionate advocates for preserving outhouses while the opposition are fervent supporters of modernisation.

When a horned adder in an outhouse bites a resident, the election battle officially begins, and things quickly spiral out of control.

Die drie weduwees

IRMA VENTER

Ami het geweet die dag gaan kom dat sy moet afskeid neem van Paul de Jager, die afgetrede polisiegeneraal wat met mening teen alzheimers baklei het. Maar wat sy nie verwag het nie, is sy laaste opdrag aan haar: Sy moet met die hulp van sy drie eksvroue na 'n stokou onopgeloste saak kyk.

Die drie weduwees, soos hulle genoem word, is aanvanklik ewe min lus om aan Paul se versoek gehoor te gee. Niemand kon dan al bepaal hoe 'n vyftienjarige seun van Pretoria in 1998 op pad kafee toe met net R20 in sy sak verdwyn het nie.

Met haar eerste besoek aan die Moot beseft Ami dat Eberhard Gouws se ma nog lank nie moet verloor het dat haar kind gaan huis toe kom nie.

Teen haar sin begin sy al hoe dieper in die raaisel ingetrek word, die halwe waarhede en leuens wat een vir een begin kop uitsteek.

En toe verdwyn nog 'n kind . . .

Die drie weduwees is die vierde boek in Irma Venter se krimireeks met die joernalis Ami Prinsloo as hoofkarakter. Lees ook die eerste drie boeke in die reeks, *Minder as niks*, *Die verkeerde vrou* en *Al wat tel*. Haar ander gewilde misdaadverhale is: *Skoenlapper*, *Skrapnel*, *Sondebok*, *Skarlaken*, *Sirkus*, *Sondag* en *Sewe-en-veertig*.

Crime journalist Ami Prinsloo knew the day would come when she would have to say goodbye to Paul de Jager, the retired police general battling Alzheimer's.

But she didn't expect his last instruction: she must investigate an unsolved case with the help of his three ex-wives.

The three widows, as they are more familiarly known, prove equally reluctant to comply with Paul's request. Surely, a fifteen-year-old boy from Pretoria cannot disappear without a trace on his way to the corner café. There must be a clue somewhere.

With her first visit to the Moot, Ami realises that Eberhard Gouws's mother has not lost hope that her child will come home one day.

And then another child disappears . . .

Die drie weduwees is the fourth book in Irma Venter's crime series featuring Ami Prinsloo. *Die drie weduwees* is a sequel to *Minder as niks*, *Die verkeerde vrou* en *Al wat tel*, but can be read as a standalone title.

Lotta se lewe 15: Otters oral!

ALICE PANTERMULLER

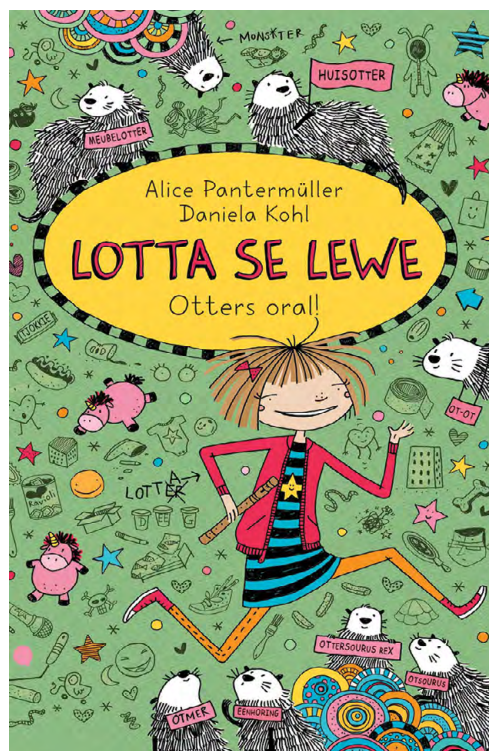

Lotta Liebenberg is elf jaar oud. Sy hou van pannekoek en is mal oor diere, maar eintlik is sy net doodgewoon. Baie meer doodgewoon as haar ouers en tweeling-raasbekboeties!

In *Otters oral!* moet Lotta se klas vir geskiedenis 'n mondeling doen oor die feodale stelsel. Sy en haar boesemvriendin, Chantelle, het nie 'n benul wat dit is nie en verbeel hulle dis 'n vreemde dier.

Intussen word Chantelle se ma verlief op 'n man, Otmar (Ottie), wat sy aanlyn ontmoet het. Geïnspireer, begin Chantelle 'n "pasmaat-posbus" by die skool teen R20. Soos altyd loop dinge skeef – selfs die streng juf. Knakker soek 'n kêrel!

By die huis verander alles: Chantelle se ma is vrolik, hou 'n rommelverkoop en verf die hele huis pienk – met komiese gevolge. Wanneer hulle Otmar se meubelwinkel besoek, lei 'n kragonderbreking tot 'n nag in die winkel vol lekkers, luukse beddens en chaos.

Die dagboekstyl en prettige illustrasies sal sorg dat lesers van 8 tot 12 jaar die sjarmante Lotta se eskapades onweerstaanbaar vind. Dit is die een katastrofe ná die ander in Lotta se lawwe lewe. Haar avonture is egter altyd vol pret, humor en verrassings!

It's one catastrophe after another in Lotta's silly life. In *Otters oral!* Lotta's best friend, Chantelle, is over the moon because her mom met a man on a dating website. Now she wants to find a match for everyone! Maybe Lotta can make her forget about it by taking her on an otter adventure in the middle of the night . . .

The diary style and fun illustrations will ensure that readers from 8 to 12 years will find charming Lotta's escapades irresistible.

Kleinkat 2: Perspektief

DAV PILKEY

Welkom terug in die kreatiewe wêreld van *Kleinkat se strokiesklub* waar een-en-twintig paddavissies die kunsklas onderstebo keer!

Die paddavissies het nou reeds geleer om hulle eie strokies te skep en die kreatiewe chaos bars behoorlik los. Elke padda ontdek hulle unieke stem. Maar wanneer die perfeksionistiese Manie met reëlbreker Nannie bots oor die "regte" manier van strokies maak, moet Kleinkat hulle leer dat die beste kuns ontstaan wanneer beide orde én chaos gehandhaaf word.

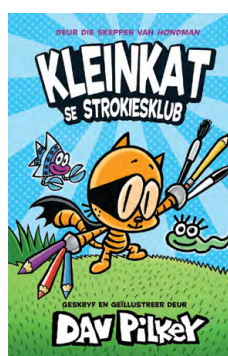

Dive into the wildly creative world of *Kleinkat se strokiesklub* where twenty-one baby frogs are about to turn art class completely upside down! From the creator of *Dog Man* and *Captain Underpants* comes this laugh-out-loud adventure packed with imagination and mini-comic surprises.

When the baby frogs start creating their own mini-comics, creative chaos erupts! From Baby Flippie's underwater adventures to beautiful Japanese haiku and calligraphy experiments, each frog discovers their unique artistic voice. But when perfectionist Manie clashes with rule-breaking Nannie over the "right" way to make comics, Kleinkat must help them learn that there's no single path to creativity – and that sometimes the best art comes from embracing both order and chaos. Watch the hilarity unfold as these energetic baby frogs create their own mini-comics while Manie and Nannie learn that working together can be way more fun than fighting.

With diverse art, plenty of giggles, and enough creative energy to keep readers hooked, this graphic novel delivers non-stop entertainment from start to finish.

Knowing Who You Are Because of Who God Is

100 Days to Unbreakable Faith

DEMI-LEIGH TEBOW

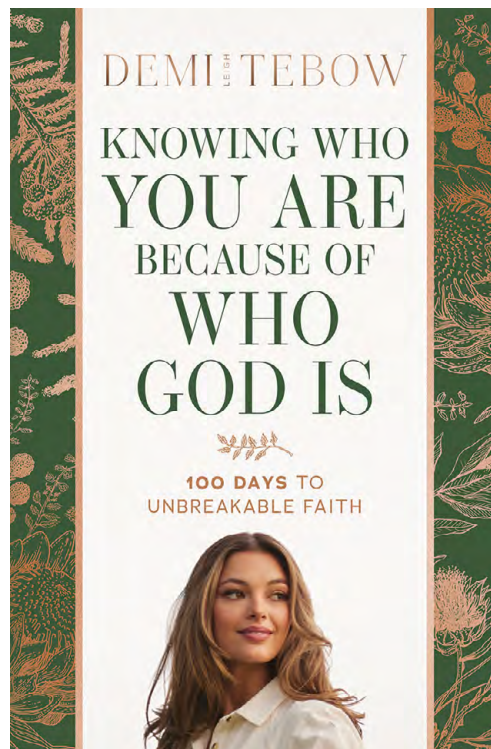

Do you ever doubt yourself or feel like you're not enough?

Do you hide behind insecurities or hold on to fears that keep you from thriving?

Do you wish you had a stronger faith to withstand the critics and the comparisons?

When Demi-Leigh Tebow surrendered her insecurities, she found her confidence in what truly mattered: who God said she was. In *Knowing Who You Are Because of Who God Is*, the former Miss Universe and Miss South Africa brings you a powerful 100-day devotional to strengthen your faith and trust in God and find confidence in what truly matters: knowing who you are because of who He is.

Through personal stories, biblical teachings, and daily prayer, Demi encourages you to turn to God for your confidence and security rather than relying on external factors like appearance, success, or the opinions of others. As Demi says, "true self-worth comes from recognizing who God says you are."

Each week includes:

- A promise to remind you of who you are in Christ and of God's character
- A key scriptural theme for the week
- Devotional entries to help you dig deep, plant seeds, and grow a stronger faith
- Biblical reflections on topics ranging from confronting insecurity, killing comparison, finding joy amid obstacles, pursuing your passions, and more
- Daily prayers and journaling prompts

Knowing Who You Are Because of Who God Is will help you let go of your insecurities and fears and build a more resilient faith.

Huisgenoot: Het jy geweet?

HUISGENOOT

Wat doen jy wanneer jou kind uit die bloute 'n vraag vra waarop jy nie dadelik die antwoord het nie? Of dalk dink jy dat jy die antwoord het, maar jou kind is nie heeltemal tevrede met jou verduideliking nie?

Huisgenoot se gewilde *Het jy geweet?*-reeks bied sedert 2017 interessante inligting vir kinders én hul ouers en het 'n betroubare bron vir skooltake geword. Vir die eerste keer is daar 'n versameling van onderwerpe beskikbaar. Vind alles uit oor ons pragtige land Suid-Afrika: ons amptelike landstale, die simboliek van ons landsvlag, ons erfenisgebiede en nasionale simbole, die Groot Vyf, ons besonderse plantegroei, en ons land se handel en nywerheid. Kom leer saam oor die voedselketting, fotosintese, die watersiklus, elektriese stroombane en die periodieke tabel, en verwonder jou aan verstommende feite en infografika oor die planete, die melkweg, die aarde se lae, en soveel meer.

Het jy geweet? sal help om nuuskierige kinders te kweek en volwassenes opnuut laat besef hoe min hulle eintlik oor Suid-Afrika en die fassinerende wêreld om ons weet. Die boek is propvol inligting wat jou oë sal laat rek en oud en jonk saam laat uitroep: "Dit het ek nie geweet nie!"

What do you do when your child suddenly asks a question to which you don't immediately have the answer? Or perhaps you think you have the answer, but your child is not completely satisfied with your explanation?

Huisgenoot's popular *Het jy geweet?* series has been providing interesting information for children and their parents since 2017 and has become a reliable source for school assignments. For the first time, the best topics are collected in one book: discover South Africa's languages, flag, heritage sites, national symbols, Big Five, and industries. Explore science essentials like the food chain, photosynthesis, the water cycle, circuits, and the periodic table. Marvel at the planets, the Milky Way, and the Earth's layers through amazing facts and infographics.

Het jy geweet? will help cultivate curious children and make adults realize anew how little they actually know about South Africa and the fascinating world around us. The book is packed with information that will widen your eyes and make young and old exclaim together: "I didn't know that!"
